

## Certificate of Addiction and Mental Health Supervision Course Three 2022 - Online Classroom – 29 July to 16 October 2022

**Note: This course is different to the usual format; the two-day face to face workshop is replaced with six online classroom trainings interspersed between the online modules.**

ABACUS Counselling, Training & Supervision Ltd has been granted approval by NZQA under section 251 of the Education Act 1989 to provide a Certificate of Addiction and Mental Health Supervision (Level 6).

The course comprises six modules:

1. Review of recent professional supervision theory and practice
2. Supervision for addictions and mental health
3. Supervision and technology
4. Group supervision
5. Reflection on own addiction supervision practice
6. Tools and resources to support the supervision relationship

The Six Module course will be delivered over a 11-week period, with an expected 200 hours to complete. All Modules are presented online, with online classrooms via Zoom. All resources for each module will be available online, along with a student handbook.
